

Dear Hiring Manager,

I am writing to express my interest in the Junior Web Developer position at your company. With my Bachelor's degree in Information Technology, I am eagerly seeking to switch careers and jumpstart my career in web development.

I have spent the past couple of years teaching myself the various web development tools and languages required for the position, and I am confident that my skills and knowledge in the field will be of great value to your organization.

Furthermore, I am willing to learn new technologies and tools quickly to meet the demands of the job. I am also able to commute and work in the office.

Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

Joemar Ceneza
